

C5 Medical Werks Joins in Sponsoring Spineweek 2008 in Geneva, Switzerland

Major spine conference and exhibition draws specialists from across the globe.

May 20, 2008 – Denver, Colorado – C5 Medical Werks, a leading provider of ceramic components for motion preserving, total disc replacement devices, announced today that the Company will provide sponsorship for SpineWeek 2008 to be held in Geneva, Switzerland, May 26-31.

The foremost scientific societies dedicated to the study and treatment of disorders of the spine will convene at the Palexpo Exposition and Congress Centre in Geneva to exchange information and provide a global perspective on advancements in the field of spine medicine. Delegations from Europe, Latin America, Asia-Pacific and North America will be in attendance at what is now considered the top global gathering for spine specialists.

“Our involvement in SpineWeek at the sponsorship level shows our commitment to be the premier supplier of ceramic components to the worldwide spinal market,” said Andrew Nield, Director of Sales and Marketing for C5 Medical Werks.
